Making Memories

Over the years, hundreds of our children have enjoyed the Great Fete. While we sometimes may become distracted by the preparation and effort required to pull together such a successful day, it is timely to be reminded that our children will long remember time spent with their friends at their school, transformed into an enormous carnival with an unrivalled atmosphere of freedom and fun. What a treasure these memories will be as they grow up and move on through life.

"I love how wherever you walk around there are always people who are having fun and hanging out with friends and family...and of course the rides. The foods yummy too."
Catalina, Year 3

"I like the jumpy castles and the big slide."
